

Extended Limited Warranty for Mercedes-Benz Electric Vehicles.

We've got you covered.

Mercedes-Benz

Extended Coverage. Excellent Value.

Your Mercedes-Benz electric vehicle is engineered to bring you years of driving pleasure. With this in mind, if you plan to drive your vehicle beyond its 48 month/80,000 km new vehicle warranty, then a Mercedes-Benz Electric Vehicle Extended Limited Warranty might be right for you.

If you decide to sell or trade in your Mercedes-Benz electric vehicle during this period, an Electric Vehicle Extended Limited Warranty can help retain and increase the resale value of your Mercedes-Benz.

- Protect your budget from unforeseen repair costs
- Enjoy Emergency Roadside Assistance for the entire term of the Extended Warranty contract
- Zero deductible
- Honoured by authorized Mercedes-Benz Retailers across Canada
- Backed by Mercedes-Benz Canada, not a third party
- Transferable from person-to-person, via an authorized Mercedes-Benz Retailer*

*Formally known as Star Certified Warranty.

When can I purchase this warranty?†

The Electric Vehicle Extended Limited Warranty can be purchased at any time during the new vehicle basic warranty period (48 months/80,000 km), as long as the vehicle has been regularly maintained at an authorized Mercedes-Benz Retailer.

You can upgrade from a Mercedes-Benz Certified Pre-Owned Limited Warranty (PLW)*

If you have a Certified Pre-Owned Limited Warranty from a Pre-Owned purchase, it can be upgraded to an Extended Limited Warranty at any time during the new vehicle basic warranty period, as long as the vehicle has been regularly maintained by an authorized Mercedes-Benz Retailer. Depending on your model and date of purchase, **\$870 - \$2,070** could be rebated off the purchase price of the Extended Limited Warranty.

† Please consult your Retailer for pricing. Certain limitations apply.

† Upgrades available to 24-and 36-month ELW packages.

Extended Limited Warranty Term.

You can add 24 or 36 months of extended coverage to your new vehicle basic warranty.

- The 24 or 36-month/160,000 km coverage is similar to new vehicle warranty.

The Electric Vehicle Extended Limited Warranty begins on the first to occur of 48 months or 80,000 km (the end of your new vehicle warranty). If the vehicle reaches 80,000 km prior to 48 months, then the Electric Vehicle Extended Limited Warranty period will begin on the repair order date of the first warranty claim submitted at or over 80,000 km.
